Frightfully Delightful Halloween Craft Project

Create a spooky-cute Halloween tabletop sign featuring **one Frightfully Delightful Craft Embellishment Set**. This project is inspired by the sample image above, so the frame, ribbon, paper and supporting decorations may be changed to fit the supplies you have.

Skill level	Easy to Intermediate	Approx. size	8-10 in. wide
--------------------	----------------------	---------------------	---------------

Supplies

- **1 Frightfully Delightful Craft Embellishment Set** - 4 Halloween cupcake pieces
- Small unfinished or painted black shadow-box style frame or wood sign
- Cream or white cardstock/paper for the center sign
- Orange patterned paper for the background layer
- Orange polka-dot ribbon and black-and-white striped ribbon
- Black ric-rac or other decorative trim
- Black, purple and/or orange lettering, vinyl, stickers, stencil or paint marker
- Strong craft adhesive or hot glue
- Scissors or paper trimmer, ruler and pencil
- Optional: small star accents, distressing ink or matte clear sealer

Use Every Piece From Your Frightfully Delightful Package

Piece	Suggested placement
Purple owl cupcake	Lower left
Purple bat cupcake	Lower center-left

Piece	Suggested placement
White ghost cupcake	Lower center-right
Orange jack-o'-lantern cupcake	Lower right

Project Instructions

1. Prepare the frame.

Paint or use a black frame or shadow-box style sign. If painting, allow it to dry completely before adding paper and embellishments.

2. Add the orange background.

Trim orange patterned paper to fit inside the frame, leaving a narrow black border visible. Adhere it flat and smooth.

3. Make the center message panel.

Cut a cream or white rectangle slightly smaller than the orange layer. Add a thin black border if desired.

4. Add the wording.

Letter **Frightfully Delightful** on the center panel using vinyl, stickers, a stencil or paint marker. Black and purple lettering works especially well.

5. Create the layered bow.

Tie or layer orange polka-dot ribbon with black-and-white striped ribbon. Attach the bow at the upper-left corner.

6. Add decorative trim.

Attach black ric-rac or similar trim along the lower inside edge to create a finished base for the cupcake embellishments.

7. Arrange all four cupcake embellishments.

Before gluing, place the owl, bat, ghost and jack-o'-lantern cupcakes in a row across the lower portion. Adjust spacing until balanced.

8. Attach the featured embellishments.

Glue each cupcake securely in place. If your pieces have button shanks and you want them to sit flat, carefully remove the shanks with button-shank cutters first.

9. Add finishing details.

Add small stars or other simple Halloween accents if desired. Check that all pieces are secure and allow adhesive to cure fully before displaying.

Project note: This is an inspiration project created to showcase the Frightfully Delightful Craft Embellishment Set. The exact frame, paper, ribbon and other supporting materials may vary. Use similar items from your favorite craft supplier and make the design your own.
